Neonatal Resuscitation Program (NRP)

2020 Course Schedule

Course Description
The Neonatal Resuscitation Program (NRP) is an educational program that introduces the concepts and basic skills of neonatal resuscitation. The course has been designed to teach an evidence-based approach to resuscitation of the newborn utilizing a blended learning approach. This includes online testing, online case-based simulations, and hands-on case-based simulation/debriefing that focus on critical leadership, communication, and team-work skills.

Objectives outlined on page two (2) of this brochure.

Target Audience
Healthcare professionals involved in any aspect of neonatal resuscitation, including physicians, nurses, advanced-practice nurses, nurse midwives, licensed midwives, respiratory care practitioners, and other healthcare professionals who provide direct care during neonatal resuscitation.

2020 Class Locations:
*Class times are 12:00pm-4:00pm and 5:00pm-9:00pm
Classes in green to be held in the Marco & Stinson Rooms at the Plaza

CentraCare Plaza
1406 Sixth Avenue North, St. Cloud, MN 56303

CentraCare Education & Professional Development
1406 Sixth Avenue North, St. Cloud, MN 56303

To earn contact hours, participant must attend all sessions and complete an online evaluation.

CentraCare/Carris Health employees will be assigned the online exam through their learning management system. Outside participants are responsible to purchase their exam from HealthStream at: http://store.healthstream.com/.

Contact Hour Information
This education offering has been designed to meet the Minnesota Board of Nursing continuing education requirements for 4 contact hours. It is the personal responsibility of each participant to determine whether this activity meets the requirements for acceptable continuing education by their licensing organization.

Online Exam
Each participant needs to have completed the "Textbook of Neonatal Resuscitation 7th Edition" (Lessons 1-11 required) no more than 90 days prior to the class session.

After the online exam is complete, print out a verification of completion which will delineate which lessons have been successfully completed and the date. You must present this certificate to the identified instructor at the time of class.

If you currently have an NRP Provider Card, you must successfully complete all relevant lessons of the exam and complete the hands-on classroom portion be the end of the month of expiration on your existing NRP Provider Card (i.e. if your expiration date is 01/01/2020, then it must be completed by 01/31/2022).

CentraCare/Carris Health employees will be assigned the online exam through their learning management system. Outside participants are responsible to purchase their exam from HealthStream at: http://store.healthstream.com/.

2020 Neonatal Resuscitation Program Flyer Page 1 of 2
Objectives
Following the program, the participant will be able to:
- Identify the physiological changes that occur when a baby is born.
- List, in correct sequence, the appropriate steps during all stages of resuscitation.
- State the equipment and personnel needed to resuscitate a newborn.
- Describe the management of a newborn with meconium.
- Identify the basic principles of operation of positive-pressure ventilation devices.
- Describe the indications and appropriate technique for chest compressions and advanced airway management.
- Identify the indications and appropriate technique for use of pulse oximetry and blended oxygen.
- State the indications and contraindications for use of epinephrine and volume expander during resuscitation.
- Identify potential post-resuscitation complications, and at least one appropriate post-resuscitation action.
- Identify strategies for the management of the preterm infant.
- State the important ethical principles associated with neonatal resuscitation.

Locations
All classes will be held in one of the following locations. Directions will be sent in your registration confirmation emails as well. If the location of the room is different than those indicated below, it will be in your registration confirmation email.

South Point – Pelican Room
South Point | 3001 Clearwater Road, St. Cloud, MN 56301. Parking is available in the south lot. Take the elevator in the lobby to the Second Level. Follow the signs to the Pelican Room.

Windfeldt Room, CentraCare Plaza
1900 CentraCare Circle, St. Cloud, MN 56303. Please park in the Prairie East or Prairie West parking lots and enter the building through the Prairie East or Prairie West Entrances. The conference room is located in the Education Center on the Lower Level (LL).

Marco & Stinson, CentraCare Plaza
1900 CentraCare Circle, St. Cloud, MN 56303. Please park in the Prairie East or Prairie West parking lots and enter the building through the Prairie East or Prairie West Entrances. The rooms are located in the Education Center on the Lower Level (LL).

Long Prairie Education Classroom, CentraCare - Long Prairie
CentraCare – Long Prairie | 20 Ninth Street Southeast, Long Prairie, MN 56347. Enter front doors from ninth street. Proceed down hallway and the LP education room will be at the end of the hallway.

Big Birch Room, CentraCare – Melrose
525 Main Street West, Melrose, MN 56352. Enter the building through the clinic entrance. Use the stairs or elevator to reach the 2nd floor. The conference room is to the left.

Hospital Board Room, CentraCare – Monticello
1013 Hart Boulevard, Monticello, MN 55362. Enter the building through the Emergency Room Entrance. You will be in the Fireside Lobby. Walk through the lobby to the stairway and go down the stairs. At the bottom of the stairs, walk straight ahead and the Hospital Board Room (also known as Conference Room A) is on the right.

Blakely Room, CentraCare – Paynesville
200 West First Street, Paynesville, MN 56362. Park in the ER/Hospital lot or on First Street. Enter door #19 to Blakely Room – Blakely is just inside on left.

Sinclair Lewis Room, CentraCare - Sauk Centre
425 Elm Street North, Sauk Centre, MN 56378. Enter the building through the main entrance and take the elevator to the lower level. Take a left down the hallway towards cafeteria. Enter the conference center through the first entrance on the left. Sinclair Lewis Room is located straight ahead.

Additional Information
- Daycare is not provided. Please make necessary arrangements.
- Tuition includes contact hour certificate and program materials.
- It is difficult to maintain room temperature for the comfort of all. Please dress in layers.
- Disclosure Policy: It is the policy of CentraCare Education & Professional Development to provide balance, independence, objectivity and scientific rigor in all its sponsored educational activities. All faculty participating in sponsored programs are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation.
- In accordance with the Americans with Disabilities Act Amendment Act of 2008, please advise CentraCare Education & Professional Development at (320) 255-5642 when registering if you have any disability that requires special materials and/or services so that appropriate personnel can be advised.
- For more information, or if you have special needs or communication requirements, please contact CentraCare Education & Professional Development via email at cch.education@centracare.com or via phone at (320) 255-5642.
Neonatal Resuscitation Program (NRP)

2021 Course Schedule

Course Description
The Neonatal Resuscitation Program (NRP) is an educational program that introduces the concepts and basic skills of neonatal resuscitation. The course has been designed to teach an evidence-based approach to resuscitation of the newborn utilizing a blended learning approach. This includes online testing, online case-based simulations, and hands-on case-based simulation/debriefing that focus on critical leadership, communication, and team-work skills.

Contact Hour Information
This education offering has been designed to meet the Minnesota Board of Nursing continuing education requirements for 4 contact hours. It is the personal responsibility of each participant to determine whether this activity meets the requirements for acceptable continuing education by their licensing organization.

To earn contact hours, participant must attend all sessions and complete an online evaluation.

Course Prerequisites
Textbook
Each participant needs to have studied the "Textbook of Neonatal Resuscitation 7th Edition" prior to class. Many institutions purchase manuals and allow staff to borrow them. CentraCare/Carris Health employees will be loaned a manual to use for the course.

If your organization does not have a manual available, you may purchase one by contacting the AAP Online Bookstore at: http://shop.aap.org/. Alternatively, participants may also purchase their manual, by enclosing $75.00 along with registration fee.

Online Exam
Each participant needs to have completed the “NRP Online Examination, 7th Edition” (Lessons 1-11 required) no more than 90 days prior to the class session.

After the online exam is complete, print out a verification of completion that will delineate which lessons have been successfully completed and the date. You must present this certificate to the identified instructor at the time of class.

If you currently have an NRP Provider Card, you must successfully complete all relevant lessons of the exam and complete the hands-on classroom portion be the end of the month of expiration on your existing NRP Provider Card (i.e. if your expiration date is 01/01/2020, then it must be completed by 01/31/2022).
