Purpose:

TNCC empowers nurses with the knowledge, critical thinking skills, and hands-on training to provide expert care for trauma patients.

Course Pre-Requisite:

Completion of the ENA pre-course online modules is required before attending class. Information on how to access these modules will be sent to participants, along with their textbook, at least 30 days prior to the course.

Contact Hours:

Participants earn 18.3 contact hours.

The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The Emergency Nurses Association is approved by the California Board of Registered Nursing, Provider #2322.

Objectives:

A Systematic Approach of Initial Assessment

The A – I mnemonic and the Trauma Nursing Assessment will assist nurses in providing appropriate and early intervention.

Hands-on Training Using Both an Individual and Team Approach

TNCC uses a flipped classroom model. Core concepts are taught via online modules and interactive web-based programs. Classroom time is reserved for hands-on skills, problem solving, and building upon core concepts.

1.5-Day Intensive Course with Expert Instructors

TNCC is a 1.5-Day Intensive Course that is taught by expert instructors.

21-Chapter Comprehensive Manual

The Trauma Nursing Core Course contains evidence-based content developed by trauma experts to reinforce and supplement the lectures and skill stations. It is a compilation of current trauma nursing standards and is a valuable resource for future reference.

Course Completion:

Students will be tested on the Trauma Nurse Process (TNP). Access will be granted to the electronic exam after receiving a successful score of 70% or greater on the TNP. Students have 6 days to complete the open-book exam post-course completion. Students must score 80% or better on the exam to pass the course within a 2-hour timeframe.
